COMMUNITY PROJECTS

1. Participation in "Operation Smile" local and international:

- a. Ngwelezana April 2006
- b. Madagascar November 2007
- c. Swaziland March 2008
- d. Madagascar November 2008
- e. Democratic Republic of Congo May 2009
- f. Madagascar November 2009
- g. Rawanda March 2010

- h. Malawi August 2014
- i. Lectures at breast cancer awareness events
- 2. South African representative for LEAP – Life Enhancement Association for People
- 3. Breast Cancer Awareness Campaign 2012, 2013
- 4. Skin Cancer Awareness Campaign 2002

PROFESSIONAL INTERESTS:

- 1. Craniofacial Surgery
- 2. Cleft Surgery
- 3. Stem Cell Biology and research, regenerative medicine
- 4. Use of fat transfer and reconstructive, cosmetic and craniofacial surgery

PROVINCIAL SERVICE: (up to 2015)

Elective and emergency plastic surgery services to hospitals: Inkosi Albery Luthuli, Kind Edward VIII, R K Khan and St Aidans

OUTPATIENTS:

Inkosi Albert Luthuli – 2 clinics per week

ELECTIVE THEATRE LISTS:

Inkosi Albert Luthuli: Monday, Tuesday, Wednesday, Thursday and Friday:

- Full day lists: 08h00 to 16h00
- Craniofacial List: Wednesday's full day

St Aidans:

- Two lists per month Oculoplastic Clinic

SPECIAL COMBINED CLINICS:

Inkosi Albert Luthuli Hospital:

- Cleft Clinic: Monthly
- Oculoplastic Clinic: Monthly
- Combined Skin Clinic: Monthly
- Craniofacial Clinic: Monthly
- Head & Neck Clinic: Weekly

EMERGENCY SERVICES:

24 Hour Emergency Plastic Surgery Service to:

1. King Edward VII Hospital
2. Addington Hospital
3. R K Kahn Hospital
4. Inkosi Albert Luthuli Hospital
5. Metropolitan Service to Private Hospitals in Durban area

ACADEMIC ACTIVITIES:

1. Member of College of Medicine South Africa
2. Supervisor of academic program and meetings in the Department of Plastic and Reconstructive Surgery
3. Supervisor of registrar training and 6 monthly assessments
4. Examiner of Plastic Surgery Fellowship Exams CMSA
5. Lectures at international and national congresses
6. Chairing scientific sessions at local and international congresses
7. Invites speaker for local and international congresses
8. Instructional courses at international meetings

9. Co-Chair congress organizer

CONGRESS ORGANIZING:

1. Organizing committee of Reg Symposium: National Registrar Symposium Durban, 5 to 6 August 2011
2. ISPRES Organizing Faculty Berlin 2013 Scientific Faculty
3. Invited International Faculty 2014: Pan African Congress of Plastic and Reconstruction Surgery
4. ISAPS International Course on Rhinoplasty, Cape Town 2014
5. International invited faculty: IPRAS Congress Argentino, Argentina, Buenos Aires 2014
6. Invited Scientific Faculty: ISPRES Miami 2014
7. Invited faculty: Regenerative Medicine Symposium, Rome 2014
8. Invited faculty: Regenerative Medicine Symposium, Rome 2015
9. Co-Chair ISAPS meeting, Cape Town 2015, 2016 and 2017

REGISTRATION AND MEMBERSHIP OF MEDICAL SOCIETIES & ASSOCIATIONS:

1. **HPCSA** (Health Professional Council of South Africa) since 1991
2. **CMSA** (College of Medicine of South Africa) since 2007
3. College of Plastic Surgeons, College of Medicine of South Africa since 2010
4. **APRSSA** (Association of Plastic & Reconstructive Surgeons of Southern Africa) since 2008
5. **IFATS** (International Federation for Adipose & Therapeutic Science) since 2011
6. **ASPAS** (American Society of Plastic Surgeons) since 2014

7. **ISPRES** (International Society of Plastic Regenerative Surgery) since 2012
8. **ACPCA** (American Cleft Palate-Craniofacial Association) since 2010
9. Member of **Research & Education Committee** for **ISPRAS** since 2013
10. **Councillor of Plastic & Reconstructive Surgeons College of Medicine of South Africa** since 2012
11. **ISPRAS** (International Society of Aesthetic Plastic Surgery) since 2014
12. **LEAP** (Life Enhancement Association for People) since 2012

OFFICES HELD:

1. College of Plastic Surgeons, Medicine South Africa
Council member since 2010
2. Education & Research Committee: International Confederation of Plastic Reconstructive & Aesthetic Surgery
Member since 2012
3. International Society of Aesthetic Plastic Surgery
National Secretary Assistant since 2014
4. Honorary Lecturer University of Kwa Zulu Natal
5. Assistant National Secretary since 2014
6. Member of the ISAPS Women's Surgeon Committee

WORKSHOPS:

Principles of Teaching, Learning & Curriculum Design in Health Professions Education: 2013

International Society of Aesthetic Plastic Surgery: Advances in Aesthetic Surgery Workshop: 2002

COURSES:

1. Microsurgery Course: University of Kwa Zulu Natal 1993

2. ATLA: Durban 2000
3. Operation Smile Physician Training Course: Virginia Norfolk 2005
4. Synthesis AO Craniofacial Course: Johannesburg 2007
5. Thermage: Cape Town 2010
6. Vaser: London 2008
7. Laser Assisted Liposuction: Dusseldorf 2010

Dr Allan Pillay, Durban, RSA

PRESENTATIONS AT THE NATIONAL AND INTERNATIONAL CONGRESSES:

1998:

- Annual Congress of the Association of Plastic and Reconstructive Surgeons of SA

1. Soleus Flap

1999:

- Association of Plastic and Reconstructive Surgeons of Southern Africa, Drakensburg

1. Treatment of Non-Pigmented Malignant and Premalignant Skin Lesion with Co2 Laser-Analysis of Adequacy of Treatment
2. Polyglyconate Versus Polyglacin Suture in Reduction Mammoplasty

2000:

- Association of Plastic and Reconstructive Surgeons of Southern Africa Congress Cape Town

1. Suction/Irrigation Closed System for Treatment of Deep Degloving Injuries
2. Polyglyconate Versus Polyglacin Suture in Reduction Mammoplasty:
Clinical Paper Registrar Prize

2002:

- Annual APRSSA Congress Berg-En-Dal

1. Skin Stretching and Areas of Maximal Tension on the Back of Living Model-Mathematical Analysis

- 11th Quadrennial Congress of International Society of Burn Injuries

1. Neglected Full Thickness Burn to the Hand: Method of Treatment by Immobilization and Skin Grafting

2003:

- Annual APRASSA Congress, Mount Grace
 1. Efficiency of Shave Biopsy in the Treatment of Basal Cell Carcinoma
- 11th Biennial Congress of South African Burn Society
 1. Neglected Full Thickness Burn to the Hand: Method of Treatment by Immobilization and Skin Grafting
- 13th International Congress of International Confederation of Plastic Surgeons IPRAS
 1. Gunshot Wounds to the Orbit: The Durban Experience: E Siolo and E Bowen Jones

2005:

- Annual APRSSA Congress, Bloemfontein
 1. Patency of Nasopharyngeal Airways Tubes Post Palatal Surgery:
Registrar Prize August Research Paper
- Association of Plastic and Reconstructive Surgeons of Southern Africa Congress 2005 Ilanga Estate October
 1. Patency of Nasopharyngeal Airways Tubes Post Palatal Surgery

2006:

- Registrar Symposium, Cape Town
 1. Encephalocele: Etiology, Pathology, Management
 2. October Symmetrical Philatral Column Repair – A New Method of Cleft Lipo Repair

2007:

- Association of Plastic and Reconstructive Surgeons of Southern Africa Conference: Spier, Stellenbosch
1. Treatment of Extravasation Injuries with Liposuction-Retrospective Overview and Guidelines
 2. Treatment of Xeroderma Pigmentosum with Co2 Laser Resurfacing-Report of 3 Cases
 3. Facial Duplication-Report of 7 Cases
 4. Treatment of Extravasation Injuries with Liposuction-Retrospective Overview and Guidelines

2008:

- Brazilian Congress of Craniomaxillo Facial Surgery, Sao Paulo, Brazil June
1. Award Repair of Craniofacial Defect with Preformed Acrylic Award
- 15th Congress of International Cleft Lip and Palate Foundation Meeting: September
1. Curvilinear Straight Philtrum Column Repair of Cleft Lip
- ICPF Cleft 2008, Dallas, Texas
1. Advanced Orbital Trauma and Reconstructive Surgery Symposium

2009:

- Association of Plastic and Reconstructive Surgeons of Southern Africa, Pretoria: October
1. The Triflagellate Cleft Palate
- XIX Congress of European Association for Craniomaxillo of Facial Surgery, Oxford: September
1. Facial Duplication

2010:

- Association of Plastic and Reconstructive Surgeons of Southern Africa, Maropeng: October
 1. Microglossia – A Report of 4 Cases

2011:

- International Society of Aesthetic Plastic Surgery, The Lord Charles Hotel, Somerset West, Western Cape
 1. Experience with Vaser
 2. Volume Replacement and Skin Tightening for the Ageing Face: Thermage and Fat Transfer
- Reg Symposium, Ialch: August
 1. Techniques and Methods: Conventional, Ultrasound, Laser
- Association of Plastic and Reconstructive Surgeons of Southern Africa, Stellenbosch: October
 1. Clinical Application of Fat Transfer in Reconstructive Surgery: South African Experience

2012:

- Association of Plastic and Reconstructive Surgeons of Southern Africa, Sun City: October
 1. Role of 2 Stage Repair in Bilateral Cleft Lip – A Madaree, E Siolo
- International Society of Plastic Regenerative Surgery, Rome: March
 1. Fat Transfer as a Modality in Treatment of Scars, Contractures, Keloids and Wound Healing
 2. Clinical Application of Fat Transfer in Craniofacial Surgery
- International Federation for Adipose and Therapeutic Science, Miami, Quebec: October

1. Clinical Application of Fat Transfer: A South African Experience
- 3rd Continental Congress Dermatology of the International Society of Dermatology: October
1. Autologous Fat Injection for HIV Patients with Lipodystrophy

2013:

- 5th International Conference on Regenerative Surgery, Rome, Italy: December
 1. Fat Transfer in Reconstructive Surgery – Multipotential Replacement Too!
- International Federation for Adipose Therapeutics and Science, New York: November
 1. Clinical Observation of Difficulties and Complications of Fat Grafting Procedures
- 2nd International Society of Plastic Regenerative Surgery Congress, Berlin, Germany: June – Guest Speaker
 1. Fundamental Principles of Fat Grafting: Complementary and Conflicting
 2. Techniques – Maxillofacial Indications: Instructional Course
 3. Clinical Application of Fat Transfer in Craniofacial and Cleft Surgery
 4. Fat Transfer as a Modality in Treatment of Keloids, Scars, Contractures and Wounds
 5. Structural Fat Grafting in Reconstruction of Post-Traumatic Defects
 6. Scleroderma Treated with Fat Grafting
- International Society of Aesthetic Plastic Surgery, Somerset West, Western Cape, South Africa: March
 1. Experience with Vaser

- Chair: Face Lift and Fat Grafting
- International Plastic Reconstructive Aesthetic Surgery, Santiago, Chile: March
- Chair: Aesthetic Face

2014:

- International Survey on Aesthetic/Cosmetic Procedures – Instructional Course, Cape Town: March
 1. Fat Transfer as a Multi-Potential Tool in Correction of Congenital and Acquired Facial Defects

Panel list: “Volumetric Restoration with Fat Transfer and in Periorbital Area”

Questions & Answer Session: “Fat Grafting Applications for Facial Rejuvenation and Reconstruction”

Moderator: Fat Grafting: “Regenerative Potential, Outcomes and Complications”
- International Plastic Reconstructive Aesthetic Surgery Congress Argentino, Argentina, Buenos Aires:
- Invited International Professor
 1. Primary Rhinoplasty in Straight Philtrum Curvilinear Repair of Cleft Lip
 2. Fat Transfer as a Modality in Treatment of Keloids, Scars, Contractures & Wounds
 3. Clinical Application of Fat Transfer in Craniofacial & Cleft Surgery
 4. Volumetric Restoration with Fat Transfer In Periorbital Area
 5. High Volume Liposuction with Vaser for Body Contouring
- Regenerative Surgery, Rome: December 2014

Spectrum of Fat Transfers Used in Breast Reconstruction Cases

CONGRESS ATTENDANCE

2005:

- Annual APRSSA Congress, Bloemfontein
- ISCFS International Congress of CF Surgery, Queensland, Australia, September
- Association of Plastic and Reconstructive Surgeons of Southern Africa Congress 2005 Ilanga Estate October
- 12th Biennial Congress, South African Burns Society in Association with the 4th World European Club of Paediatric Burns Congress, Cape Town, South Africa, October
